Commodore's Corner

John Moldovan (RJ)

Commodore

I am happy to announce your new Club Officers for 2007. After a "close" and "hard fought" race here they are in no particular order:

- Dan Othberg – Vice Commodore
- Bruce Hill – Rear Commodore
- Steve Longa – Fleet Captain
- Nina Gamin – Secretary
- Dan Othberg – Treasurer
- John Moldovan – Commodore

Your trusty trustees for 2007 are: Buck Wilke, Dale Gutfranski, Chris Cieproski, Gunther Wingert, Rick Verrell, Pete Welky.

Lets welcome them and I am sure that they will get everybody's support to make 2007 one of our best years yet. Remember, these people are not the "club", YOU ARE!!. They are here to help everybody else enjoy this great hobby of ours, but they can't do it alone. We need your help. Get involved, help out, and I will assure you that you will have a good time doing it.

The first step you can do is show up at one of our monthly meetings. YES, we do meet during the winter months on the second Wednesday of the month at Zone Car at 1303 West 58th Street. We always have a good time, considering the bar is located outside the meeting room. The club provides the food, so it turns into a real party. All you have to do is show up and enjoy.

For more information about the Club and all the activities that we plan you can always visit our web site at www.embc-cleve.com

From The Vice

Dan Othberg

Vice Commodore

Hello people, Remember ...Spring is less than 50 days away!

I want to thank everyone for electing me as your Vice Commodore..I can only hope to fill the Boat Shoes of those before me. With the Commodore's Ball near we will be saying Fair Winds to those leaving office and a Kicking Party For the New Blood! ARRGG!!

There are some excellent ideas toward improving the club being discussed, and now is the time to be a strong Club and get these to be a reality. Every project has always been a memorable event Another memorable event coming is only about 59 Days away, And I'm not referring to April Fools Day!!

I've been exposed to cabin fever and it is getting hard to continue.

Till next time,

Stay Warm, see you at the Ball.

Dan Othberg

Vice Commodore

Secretary Escritoire

Nina Gamin

Secretary

Thank you for voting me in as Secretary. One thing I want to pass on for any of you who were not at January's meeting: Please be vigilant about checking your boat over the winter months. The gate had been left open for some time and the weather, although better than most winters, has been very windy which can potentially cause more damage than rain or snow. If you just cannot get to the marina, please give a contact number to an officer. There are quite a few people who live close by or work downtown and they keep a good eye on the condition of each other's property.

Happy Valentine's Day!

We'll be seeing each other very soon

The Commodore's Ball is March 10, 2007 and as in years past I have been in touch with the Travel Lodge. Once again Angie has held the room rate at \$53.10 + Tax (About \$60.00 Total).

It's a great deal and a safe way to go. We use AmeriCab as transportation to pick us up and return us safely back to the Travel Lodge so no one has to drive!!!!!!!!!!!!!! It's a great time....

Call Early to book you room (Remember it's also March Madness) Let them know your with Edgewater Marina Boat Club. This way they can try to put us all in the same floor.

Here are a few February facts:

- February begins on the same day of the week as March and November in a common year, and on the same day of the week as August in a leap year.
- The pronunciation of February with or without the first "r" is acceptable.
- On a few occasions in history, February has had 30 days.
- February in the Northern Hemisphere is the seasonal equivalent to August in the Southern Hemisphere and vice versa.
- February's birthstone is amethyst.
- February's flower is the violet or primrose.
- The Chinese floral emblem of February is the peach blossom.
- The noun February has only one meaning: the month following January and preceding March.
- And the most important fact: Sherry, my bride, was born in February.

There are thousands of self-help books out there. You name it and they have a slew of books about that given subject. Here is a site that has all kinds of videos about a huge selection of topics. Reading about something to learn how to do it works most of the time, but sometimes you just don't understand what they are trying to tell you. If you have an opportunity to actually see how something is done you have a better chance of learning how to do it.

This is a pretty interesting site, so click away. Do you remember that Tee-shirt folding thing? They have it at this site.

PIX2FONE is a small program that gives you another "right click" option. You can upload pics from the web or from your hard drive to your cell phone. This way you can set whatever wallpaper you desire from just about any photo. And on top of that it is free. You can get wallpapers from your cell phone provider but most of them do it for a small or not so small fee. This will not work with all cell phones but the list is rather large, your phone will more than likely be on it. <http://www.pix2fone.com/>

It has been a fun New Year. If I would of know this was coming I would of stayed up north and gone thru your blizzard with you guys. NOT EVEN A THOUGHT!

I must say, coming up north for the holidays was the greatest. To be with family and the guys down at the marina was so great it made my X-mas. It gave me the guts to start all of the fun stuff. I found out when I got back I will be able to have the surgery back up at the clinic so it means I will be up there for the spring and summer for recovery. I am giving you all fair warning.

I am sending along with this article the picture of the last bonfire of the year we did have a good one and it was a nice night now when i come up for the ball we will have to have one.

Things down south have been a blast. I moved farther south and I am now at mile marker 29 getting closer to Mexico. I finally moved out of the

shed into a house. Nice place and it has a dock right out back, so once i find a sailboat I can park it right outback and do what ever it needs and then after I get the okay, well time to sail.

Well if you read the newsletter you know youre time to buy your ball tickets is now so go and lets have a great time see ya
