Spring!... I have been waiting to say that for a long time, but it has finally arrived. A sure sign of Spring arrival is the number of people that come out of hibernation and start working in the boat yard. I know I was one of them. My launch date was April 28th, but I was forced to postpone another week. I am blaming it on the weather ☺. The word is out, however, that I had my priorities reversed but, the kitchen had to be done, for the sake of peace and happiness. Those of you that are married know exactly what I mean. Anyways, I will be ready for my appointment this coming Saturday, and then I hope to see you all on the water.

I am looking for a Publicity Director. This is just a fancy name for whoever wants to edit and publish this very own Newsletter. All you need is a computer and Internet and I will show you the rest. If anybody wants to help me with this please contact me at news@embc-cleve.com or just show up to our monthly meeting.

Our next monthly meeting is at the Marina, May 9th, at 7:30PM. Please try to attend. Bob, the new Owner of the Marina attended our last meeting and he answered a lot of our questions. I told him about this meeting and I am extending him another invitation to join us. Who knows, maybe we can come up with another couple of questions that we need answered ☺.

The first Poker Tournament of this year is May 25th at the Pavilion starting at 7:30 PM. Russ and Walt are in charge so if you have any questions you can have them answered at the monthly meeting. I will also post all the info on our website.

For more information about the Club and all the activities that we plan you can always visit our web site at www.embc-cleve.com

Can you believe it; we are finally going to meet at the marina?

The next meeting is May 9th. Hope to see all of our members there; maybe we will be lucky enough, to see some members, who are just names to us.

May 19th is the Fitting out Party, come out and help support your club. Come and pay your dues, eat a sandwich, and have your boats inspected, if ready. Time is 1 to 5.

The Perch tournament will be postponed until September, or when the perch start to run, so keep reading each month or check the bulletin boards at the marina for the up dates.

FROM THE SUNSHINE COMMITTEE

STEVE...!!!

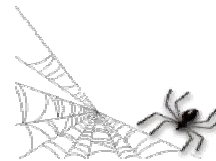

I have good news all the way from Florida. Our long lost friend from down south had his surgery and he is doing just fine. According to rumors, we might just see him in a couple of weeks when he recovers well enough to make the trip up here. We all wish him speedy recovery.

Please submit all articles to John Moldovan at news@embc-cleve.com. Please let me know about any illness, deaths, marriages, births, etc. so that we can publish them in our newsletter.

Happy May, is this the month we have been waiting for?

Here is a nice little program to replace Notepad for Windows. There a lot of useful options with this program, there are almost no options with Windows Notepad. I have been using this for a few weeks now and I'm sold. Hey, it's free. Download it and give it a try.

Do you want to opt out of some junk mails? Well here's the ticket. Say thanks to Nina.

Here are the websites with the best info on opting out of junk mail:

Do you like to hear music when you're cruising the web? There are all kinds of radio stations available on the net and I'm certain that you know about a lot of them. The one that I'm talking about is a jazz station that has options to listen to a certain type of jazz and also certain instruments. This is really a nice station. Kick it up or tone it down give this site a try.

Well folks, we have to get our wifi up and running. It's tough trying to get the boat ready for the water and keep up with things on the web. Most of my time lately has been spent at the marina not at home. The problem is that there is no internet connection anymore at the boat yard. I'm sure that this will get worked out soon or later, I for one hope that it's sooner.
