This summer is one of the best summers that I remember. We already had a couple of events with very good turnout. At the Taste Of The Marina, for example, I counted about 80 people. For those of you that weren't there you missed on a lot of great food and fun. I wanted to try each one of the dishes that you guys brought in, but it was impossible. I felt that I was going to blow up. Man, that was good eat'n.

I want to thank everyone that brought food and especially those members that made the Taste Of The Marina possible. I know that they cleaned the area around the shed and the Pavilion and got everything ready for the rest of us. I am not going to mention any names here, because I don't want to leave anybody out, but you guys did a great job.

The Walleye tournament was a big success this year. I do believe that we had the largest number of boat that participated since its inception a couple of years ago. Great job everyone!!

The next event is the Poker Tournament, which is held at the Pavilion. If you want to have fun at a friendly game of poker all you have to do is show up this Friday, July 6th. Bring 20 bucks with you and you are ready to go.

Every now and then I run over some useful information, that I feel it needs to be shared with everybody. For example: Do you want free nautical charts of Lake Erie? I am talking full-blown charts here from NOAA, up to date and in full detail. In fact, you can download the hole US coast for nothing. That's right, all the way from Cleveland to Florida Keys if you want. Now that's worth checking out. I have also found

a little program to open these charts with and even use your GPS with it to plot your location. Yes, this program is also free. Go to our web site and press on the "Links" button. Please read the manual that comes with the GPS program. It will explain how to install the charts that you have just downloaded. I can help you out if you run into a "wall". Bring you laptop to our next meeting and I'll help you out.

I am still looking for a Publicity Director. This is just a fancy name for whoever wants to edit and publish this very own Newsletter. All you need is a computer and Internet and I will show you the rest. If anybody wants to help me with this please contact me at news@embc-cleve.com or just show up to our monthly meeting.

Our next monthly meeting is at the Marina, July 11th, at 7:30PM. There will be a representative from The State attending our meeting. Topics of discussion will include improvements to the marina and how they will affect our club. This is one of those meetings that will affect all of us and your opinion is needed more than ever. Please try to attend if you want your voice to be heard.

For more information about the Club and all the activities that we plan you can always visit our web site at www.embc-cleve.com

Depart Date: July 21, 2007
Dock: Red Clay (aka., McGarvey Landing)
DockMaster: Bill McCaferty
Flt Capt Ph# 440.915.3399

Thanks to the unanimous decision of our boat club members we will embrace the seas sailing or motoring to the Port-of-Vermilion this year. We have a good number of members registered for the challenge, a total of 16 boats. Some boaters are considering leaving Friday July 20th and pulling into Lorain harbor for an overnighiter leaving port at dawn for Vermilion. All is welcomed. Reservations for Red Clay have been made with the dockmaster. Water and power is available. Boaters arriving may use Visa or M/C for slip payment at \$1.50/ft. Debarkation is scheduled for Sunday July 22. Poker hands \$15.00 for members, \$20.00 for non-members.

Good Luck to All.

Commentary Notes:

Warning: Hazard Obstacle Co-ordinates
N 041.30.007
W 081.44.502

Drawing a line from the Gold Coast to the Lighthouse the obstacle lies directly perpendicular to Edgewater beach ~ half-mile North. The hazard is suspected to be a tree trunk or pipe, extended above the waters. The Coast Guard has been notified.

The Social Scene

Walleye News

Hello everybody

Special thanks to everybody who helped with the Walleye tournament. It turned out a lot better than the last couple of years. We had 16 boats double of last year. Special thanks to the boat club Buck and Sherry for their help with the keg and clean up and set up. Also special thanks to Terry and Tony for doing all the hamburgers and hotdog cooking. Also special thanks to Tom (Peerless) on C dock. Him and his company Peerless Metal Stamping in Cleveland for doing all the internet work and providing gifts cards from Dicks Sporting Goods. Other sponsors were the boat club \$100.00, Shines on east 55th in Cleveland, Rod Maker Shoppe in Strongsville. They donated 2 line counter reels. My company RGL Express in Brookpark, Ohio who bought the hamburgers and hotdogs, chips potato salad pop and water. I also gave away 2 sets of stinger spoons. I honestly think that next year we will have over 20 boats in this. I should of kept better track of who won what as far as biggest walleye and steelhead trout 1st 2nd 3rd etc etc etc... I will do so next year. The nice thing, Tom and I did place in some of the categories. The biggest walleye was 30 1/8 inches and the biggest steelhead trout was 26 1/4 inches. There were a lot of fish caught and we had people from several different marinas. Also we were able to make some money this year. At the next boat club meeting i will give the boat club a check for \$260.00 So with being said we made a couple of nickels. I hope I mentioned everything I should say and I hope I thanked everybody for their help. Thank you for everything. Cant wait until next year.

Happy Birthday America,

Yes sir it is July, and July rhymes with sky. What's the hook-up? Why some great astronomy software to be sure. This program is really something and it's free. Stellarium is open source software and is downloadable for Windows, Linux and Mac.

This self same software is being used by some planetariums! I think that says it all. Grab this program and you will see stars.

As Jack says, "Keep looking up."

The EMBC Walleye Tournament was a huge success this year. Great job Walt, hopefully every year we can make this event even better.

Till August,
Buck Wilke

Jack's Place

Just a word in between bights.....I'm stuffed. The pot-luck menu was never ending. Our kudos fly out to those members and guests that made the "Taste of the Marina" a big success.
