## Commodore's Corner

**John Moldovan (RJ)**

Commodore

Where did this summer go? It seems like yesterday I was just painting the bottom to drop her in. Oh well... enough with the bad news. This is Cleveland, after all. Act accordingly!. Despite this, we did have some nice weather for the past couple of weeks, so I've been trying to make up for the lost time spend pampering my butt, literally ☺.

And just to show you that I am serious about this, I am sailing down to Put-In-Bay Columbus Day weekend. There are two boat going so far, Raven and 4-Sail. If you are interested in joining us let me know. More boats, more fun. It is race weekend down there, so it should be a good time. Departure time is Friday morning, and I plan to return sometimes Sunday. If the weather is nice I might even do an overnighter and leave Cleveland Thursday night. Nothing is set in stone. Oh yeah... and one more thing: Steve, Your Fleet Captain, will be my Cabin Boy for the duration.

I am still looking for a Publicity Director. This is just a fancy name for whoever wants to edit and publish this very own Newsletter. All you need is a computer and Internet and I will show you the rest. If anybody wants to help me with this please contact me at [news@embc-cleve.com](mailto:news@embc-cleve.com) or just show up to our monthly meeting.

Our next monthly meeting is at the Marina, October 10<sup>th</sup>, at 7:30PM. Please try to attend if you want your voice to be heard.

For more information about the Club and all the activities that we plan you can always visit our web site at [www.embc-cleve.com](http://www.embc-cleve.com)

Not much happening on the docks. The faces haven't changed. I take that back. On 'C' dock, Fred who now captains 'Wisper II' has slipped into the south side. Mark and Dee and their condo has moved into the north side. Doug is on 'D' dock. Some boats have already pulled out.

Rumor has it Ray B is considering trading his Rinker for a sailboat.

Everyone is doing alot of fishing. I had the pleasure of going on Dales' boat last week and to my surprise caught a few. Didn't know what to do. The last time I went fishing was five decades ago.

Weather has been awesome the past two weeks or for that matter the month of September. This year I've been sailing on boats other than my own. My boat has turned into a floating condo, in a Jacuzzi, with the invites I've had on other boats. RJ and I have gone out a couple of times but he's still pampering his butt. Chalk another flag for Vince and Scott on 'Raven'. By the way, we all share the same Jacuzzi.

WIFI stills sucks out here especially when your trying to plug a hole in the newsletter.

Your Fleet Captain,  
Steve.

## The Social Scene

### Sherry Wilke

Entertainment Committee

The turn out for the big band, was better than ever, hope everyone had a fine time. This is one of the few times I get to dance with my man.

Chef Meister, another fine job, doing our clambake, we always look forward to your surprise, dessert. It was a great turn out.

Joe, the DJ did a great job as usual, but he has as much fun with us as we do him. Did you get a look at some of the dancers? Bob and Linda Burlingham, and what about the pole dancers? Never saw that coming at all!

We even had a good fire to cozy up too.

Thanks for all the donations for the raffle, and a great job done by all the crew, I could not do it without all of your help through out the year. THANKS

### OCTOBER 6<sup>TH</sup>

The Al Noelker Perch Fest.

No entry fee is required, just come out and have a good time fishing and than eating.

Boats are to be back at 2 p.m. with the fish. Object is to donate all or some of your fish for the fish fry. Bring a side dish and your own beverages. All paper products will be furnished by EMBC.

There will be a prize for the biggest perch; this could make someone \$50's richer. Bob Burlingham is putting up the money.

Come out and enjoy a fun day.

### OCTOBER 7<sup>TH</sup>

The Chili Cook Off-Tailgate party

Remember, there may be more than just people from the marina; it is open to all comers.

There is no entry fee. All those who cook, will pay no tasters fee, the others will pay \$5's or a family will pay \$10's to taste all entries. All money collected, along with a donation of \$100's from Bob Burlingham, will be awarded the winners.

Get out your recipes and make that chili, participation is what it is all about. If this is a bust, meaning not a lot of entries, this too, will be the last time the chili cook off is an event.

Beverages and paper products will be provided.

**Just a reminder, the Commadore's Ball is March 22th, so start and save your pennies .**

### October "FisfFry"

Michael J. Nagy

I would like to invite anyone who enjoys perch fishing and perch eating to join the EMBC on Saturday, October 6, for what I am hoping is going to be a fun filled day of catching, cleaning, and breading fish to be devoured by the boat club members and friends and family.

We ask that the fishermen donate part or all of the days catch for this event(perch only please). Meet at the pavilion at 2:00 pm with your cooler of fish to be cleaned.Allow yourself plenty of time to get on the lake and catch lots of fish.

The Club does ask that you bring a small side dish to be enjoyed by all, as well as your own beverages.

We have done this event in the past and it has been truly memorable for me because of the gathering of so many friends that I have been so fortunate to have met through the EMBC.

Please join me on the 6th of October and form some great memories of your own.

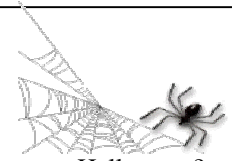

I would like to thank Bob Burlingham for his donation of fifty dollars to the person checking in the longest yellow perch of the day. Past experience tells me you will probably need a fish in excess of 14 inches to qualify for the prize.....we may not get the big one, but we are gonna have fun trying.

GOOD LUCK TO YOU ALL AND WE HOPE TO SEE YOU THERE!!!!!!!!!!!!!!!

Michael J. Nagy

## Web Stuff

Submitted by Buck Wilke

You're kidding me right; we're on the way to Halloween?

Here is a site that you just have to check out. Hey Bob, you did a great job. Now not only does our Boat Club have a web site, but our Marina does as well. Below are links to both.

<http://edgewatermarina.net/>    <http://www.embc-cleve.com/>

I know that most of us install and uninstall programs all the time. When this is done sometimes there are files and registry entries left behind. I'm not saying that the Windows Add and Remove programs applet doesn't do a decent job, but Revouninstaller may just do the job better. There are also some other utilities included with the program. This is freeware that comes highly recommended.

<http://www.revouninstaller.com/>

How up to date is your software and drivers? Well here is a site that will check your computer out and update the software, not all of it but some anyway. This free update site might just work for some of your programs that have just fallen behind.

### Jack's Place

Jack's October ramblings.  
Did you hear about:

-The midget fortune teller who escaped from prison?  
She was a small medium at large.

-The thief who stole a calendar? He got twelve months.

- The professor who discovered that her theory of earthquakes was on shaky ground?

-The guy who fell into an upholstery machine? He was fully recovered.

-The grenade that fell on the kitchen floor in France? It resulted in Linoleum Blownapart.

Till next time,

**Jack**
