Commodores Corner

Looking forward to the big Labor day weekend show.
Thanks to all that helped out at the OX roast.

Rantings from the Rear

Rick Verrell - Rear Commodore

Summer had finally arrived, at least for a few days. It was nice to have some warmer than normal days along with southerly winds for a change. The Ox Roast turned out to be very nice. Thanks to Ray and his crew. Thanks go out to Danny and Nina for the Margarita Night. In case no one has noticed, we have a new ramp to the main shed. I bought new wood, came down one evening to replace it by myself and thanks to a few others that were hanging out at the pavilion we had it done in no time. I would like to get a couple more tarps replaced by maybe this weekend (9/26). Looks like the weather may not be so good for boating? Anyone interested let me know. That's all

I have for now. Lets pray for good weather and have safe and happy Labor Day.

Aloha
One of the great Americans ever died Tuesday. That would be Ted Kennedy. Be you a Republican or Democrat, his legislation and political work were felt by EVERY American. No question. While reading the papers about him they

all said his career was derailed by Mary Jo's death. They got it wrong. His career was defined by it! Someone probably got in his face shortly after the dust settled from the trial, etc. and said "You were lucky. You messed up. Now make something out of your life." And he did, more so than ten people

could have. In addition to that he created something unique to him. I asked my daughter to explain Ted Kennedy, she being 30. I said “Aside from being a Kennedy, having two famous brothers, etc., how would you describe him?” She said she remembered an old man who people said did good things, who was honored amongst his colleagues. See, he went beyond the Kennedy mystique. Way beyond. Please don’t forget that. And he was a sailor till the end, sailing just last week. I remember taking a friend out sailing two years ago who also had brain cancer. She was overjoyed at just being on the water. She sailed the boat all day and Fred and I were her crew. Like Ted, she just loved

being on the water and it brought back memories of sailing with her dad as a child. There is something magical about it. I’m not sure if power boaters....get it (for lack of better words) but in sailing you get all kinds of weather obstacles thrown at you, all of which have to be dealt with. (Course power boaters would say “Hey stupid, we don’t go out when the weather is crappy!” and they would be right too.) That is probably why we do it and love it.

Lastly, I bet Letterman could come up with a Top Ten list for glowing shot glasses. I could only come up with a few.

Aloha.

We are soon coming to a close of August, another summer month gone by. They were not kidding when they said “Time flies when you’re having fun”.

We had a great crowd at the Ox Roast. Rays team did an outstanding job. The meat was cooked to perfection, some well done some rare. There was a nice selection of side dishes and some tasty deserts. Thanks to all who generously donated food and raffle items. We had a successful and profitable evening!

Dan and Nina sponsored a Mexican night last Saturday. I have never seen so many different kinds of dips and salsa’s. The Margaritas were flowing. We danced till 3:00.

If you missed any of the events this summer, you missed a great time with your

boating neighbors. The season is coming to an end all too soon so why not step out and enjoy yourselves with the rest of us at the couple of events that are left.

Sept. 5th The Dan Zola Orchastra is playing and... it is the classiest event held at the marina. Remember, we will have sandwiches and a bottomless mug of beer for sale!

Our Annual Clam Bake is in October. Yes, you may order a Steak instead of the Bake.

So invite your family and friends to our last two events and let’s have a couple of evenings filled with wonderful music, good food and great times!

Your secretary,
 Kathy

Happy September,
Wow! Here we are headed to Labor Day Weekend. What a quick summer, that is if I can use the word summer at all this year. It was more like a warm spring with a few, very few occasional hot days.

Don't forget the Dan Zola Orchestra on Saturday evening of Labor Day Weekend. This is our "classy event of the year", as Chicky would always say. And he was right, it doesn't get any better than hearing that band play. I can feel my feet movin' now.

Hey what about a PDF? PDF's are nice documents that

everyone can open and read. However, outside of that there is very little that you can do besides print it. Here comes a small app that can help you do more, You can crop, reformat add images and a whole lot more. Check this out at ZD Net. It's a free download, all you have to do is sign up and that's free as well. Click on the link below and head over.

See ya at Zola, put on your dancin' shoes.

Bylaws Revision

Chris Cieplowski - Bylaws

The bylaws committee has completed the revision of the current EMBC Constitution and Bylaws. Thru many hours and hard work of our volunteers, these are the changes being proposed for vote. To view them, please go the EMBC's website, www.embc-cleve.com or follow this [link](#). Anything that is in red ink is what the committee would like to add to the current bylaws. Anything that is to be omitted is ~~crossed out and is in blue ink~~. This publication will constitute the first official reading of the changes. At the August meeting the second reading will take place. The third reading and vote to approve the changes will take place at the September meeting.

Please print a copy and bring it to the next meeting, as we will only have a limited number of copies available. If you do not have access to a computer and would like a written copy, please contact the Secretary, Kathy Verrell.

If you have any comments about the bylaw changes, you must put them in writing to me before the meeting. The committee will review them for any further consideration if changes are deemed necessary.
