Spring has sprung! The 2006 season got off to a great start with the Commodore's Ball at Brennan's Party Center. I want to thank Sherry and Buck Wilke for pulling everything together for this event. THANK YOU!

If you missed us at the last general meeting in March, you still have time to join us at the April meeting or meet us down at the marina pavilion for the May meeting.

Fleet News & Views

John 'RJ' Moldovan
Fleet Captain

By the time you read this my dock fees should be paid for, hopefully. I don't want to loose this spot again, like I did a couple of years ago. I know it's hard to part with the money (I am speaking for myself here, ...or am I), but I like the spot I had last year, and I want to keep it that way. The deadline is April 3rd, after which is first come, first served. So, if everything goes well you can look for me all summer at D12. Don't you dare taking that spot in case my payment is not in time. I'll put a curse on you... and you will be banned from all our boating events. I, being your Fleet Captain, can do that!

One of the events that you could be banned from is our new Beer Can Races. There is a whole set of rules that you have to memorize, but I will be nice and I will sum it up for you in one word: **FUN**. For those of you that still want to read the whole thing you can do that on our site. Just go to "activities" and follow the "Beer Can Races" link. Thank you Kevin for thinking of this and providing us with all the rules that we need to have fun. There will be more details about this at our monthly meetings, so don't be shy and join us.

'Till next time mateses...

RJ

The ball was a lot of fun, hope everyone had as much fun as I did. The food was excellent; room looked great. **THANK YOU VERY MUCH BRENNANS.** Hope to see more of you next year. And speaking of next year, Vince you owe me a dance.

Thanks, to the officers for pinning me, it was a big surprise. I do believe that they enjoyed pinning it on way to much, right Danny?

Hope the past commodores liked their surprise, and good going to the yachtsman of the year. Yes it was my man Buck.

The next event is the fish fry, April 15th at McGintys. Bring fish to fry and side dishes. It starts at 3 p.m. But get your fish there sooner. Will talk more at the meeting. Would like an idea how many will be coming and contributing to our event.

Ah April, one month closer to the warm, Just a quick word of thanks for the honor of receiving, "The Yachtsman of the Year Award". This is a great honor and my appreciation is heart felt. Again, thank you.

Full Pink Moon - April This name came from the herb moss pink, or wild ground phlox, which is one of the earliest widespread flowers of the spring. Other names for this month's celestial body include the Full Sprouting Grass Moon, the Egg Moon, and among coastal tribes the Full Fish Moon, because this was the time that the shad swam upstream to spawn.

Here's one for all of the blow boaters in the club. One of our former members sent this link to me. Our thanks go to Tom Habanek for finding this interesting site. You need to have a high speed connection for this site to work. Test your skills and see how you do. <http://www.ciconline.org/windward/#>

There are times when a friend, a newspaper article or a little blerp on the TV gives some info that is just not quite true. Well if these untruths happen to be in the field of astronomy there is a place to go. The site is called "Bad Astronomy". Check it out and clear up those clouds. <http://www.badastronomy.com/>

Using e-mail is a handy and quick way to get info, give info and generally communicate. This is just a tip for when you want to give some important information. The following is a case in point of what I am writing about. How can you be certain that the person you are writing to receives the email? Recently a few of our members were ordering tickets for the Commodore's Ball. Email is a great way of doing things like that. When you are sending info that needs to be received and read, ask for a receipt. Most mail programs allow you to do this. If you ask for a receipt, the recipient of the email will click a button in a dialog box. With this click, you, the sender will receive a receipt telling you that your mail was received by the person you sent it to. This way if for some reason the intended recipient doesn't check

their mail or if the email ends up in a bulk or junk mail folder you won't just **assume** that they received the email.

See Ya,

Buck Wilke
