The month of July brought us Xmas in July which was such a great event. The food, the music, and the dancing were a huge success due to many volunteers that stepped up for the club to help setup and clean up. I would like to thank everyone for their involvement in these events, especially Buck and Sherry for coordinating everything.

We have received some accolades as well as some suggestions from the last EMBC meeting for improvement, in particular. The strength of a Club like ours is the involvement of its members in shaping the activities and events for the **benefit of all**. So far this year we've had a number of members express their interest and desire to help out with organizing or participating in future events. This has been greatly appreciated. If any member has positive suggestions we would like to hear them.

Thanks to all that participated in our events and let's continue to make this year the best one yet.

Well if you missed the Steak Roast you missed a one heck of a party the food the music and friends. What a great party....It felt like we where in a rain delay all day. But about 6:00 or so the rains finely went away and the party began. The gift exchange -50/50 and the Chinese raffle was once again a HIT! Thanks to all that Helped!

Don't forget the E.M.B.C 3rd Annual Poker run is August 12, 2006. This year we are going east to the Grand River & Pickle Bills. With all the flooding they had we might have to pick a new location to cruse to. \$15.00 Dollars for Members per hand & \$20.00 per hand for nonmembers so far we have 12 boats that are going so let RJ or myself know if you would like to join us.

Like the last two poker runs its going to be a great time.

Deadline to enter is August 4, 2006 Hope to see you there!

Mother Nature sure seems like she's conspiring against us. First we had the rain just before our Steak Roast, which by the way turned out to be a great success, and now The Poker Run is in jeopardy because all the rain, flooding and damage over at Fairport Harbor. We were supposed to have docks at Grand River marina, but they don't know for sure if they will be back up and operational by August 12th. Russ and I will have the definite answer by the end of the week, and we'll let everybody know at the Taste of the Marina, which I am sure that everybody will want to attend. If Grand River can't accommodate us then we will go to Vermillion again. Russ already talked to them, and they don't have anything booked for that weekend,

as of today. Keep an eye on our website for the latest info on our Poker Run, or any other event for that matter.

One other event that I want to talk about is Edgeworld. At our next Club Meeting, which is Wednesday August 9th, we will set up a date for it. Russ just informed me that, if the weather is ruff, he found a nice cove about 8 miles east from our marina where we can anchor and be protected from the waves. So, if you want to find out more about this event and others, and want to get involved, please attend our meetings. We are always looking for a few good men (and women).

'Till next time mateses...

August the Sturgeon Moon - The fishing tribes are given credit for the naming of this Moon, since sturgeon, a large fish of the Great Lakes and other major bodies of water, were most readily caught during this month.

Did you know that sea water, loaded with mineral salts, weighs about a pound and a half more per cubic foot than fresh water at the same temperature?

Here is an informative site submitted by our Commodore. Knot tying is an art, this site has animated knot tying thus making it easier to follow tying procedure.
