Dave Newman
Commodore

Okay all you wonderful people, thank you so much for all of your great support this past year, you know who you are. Your labors do not go without notice or appreciation.

I sincerely thank you for your confidence in re-electing me as Commodore of our Club as well as the other candidates that ran for office this year. I will do my very best to help our Club to develop and prosper. In order to pursue this goal all of the members of the board request the *active participation* of all Club members.

Many of you would like to see more Club services. And so I ask for your *active participation* in our Club. Come to meetings and make your opinions heard. Participate in the numerous planned activities, and if you would like to do something different, take the initiative to propose a new event or project. Above all, we need the help of everyone who can -- It's fun, and the camaraderie is wonderful.

With your help, our Club can only become better and stronger.

Fleet News & Views

John 'RJ' Moldovan
Fleet Captain

I want to thank everyone for my nomination, and the inevitable elections win, to be your Fleet Captain for one more year. I am definitely looking forward to it. I will do my best to fill this position to the best of my abilities. Just like your Commodore says: we need everybody's involvement, again. Lets make this year's boating season a safe and memorable one. I know we can all do it, **together**.

And just to remind everyone, here is our web site; www.embc-cleve.com. Check it out. I am adding new stuff all the time and trying to keep it up to date as far as events go. Last thing I added is a bunch of pictures from our events and also a forum where you can post all kinds of stuff. For those of you that need wallpaper for your desktop there is also a monthly calendar that you can download. If you have any suggestions or just want to add anything just email me. Thank you.

'Till next time mates... RJ

Ski/Gambling Outing

Submitted by Mike Chapin

Hi Everyone,
I hope all of you are having a good winter.....Like there is such a thing!!!
For those of you that weren't at the last couple

meetings, we discussed possibly getting a bus trip together and heading to New York for a Ski / Gambling outing. The Idea is that we charter a bus to take us there, and for those whom want to ski will be dropped off at Holiday Valley, and for those that want to gamble will be dropped at Seneca Allegany Casino. We discussed that we would probably leave Cleveland around 9am which would get us out there around 12pm, then we would depart to return to Cleveland around 9pm and get back around midnight. That gives us ample time to win money and/or freeze our faces off. The Date we have attentively set aside is Feb 25, For a 47 pass bus it will cost approx. \$980.00 so that translates to \$ 21.00 each if we can fill it up, \$25.00 ea. for 40 people, and \$33.00 each for 30 people. For the Skiers it will cost \$46.00 for an 8 hr lift ticket plus equipment rental if needed! They do have group rates if we get 20 or more skiers to go. For the gamblers it will cost whatever you can afford to loose!!!

We need to now how many are interested ASAP so we can book the charter!!! Remember the more people we get the cheaper the bus will be, so ask your families, and friends, the more the merrier!!!

Please contact Mike at

Mike-Chapin@sbcglobal.net or 216-470-9915 and leave a message of how many will be joining us! I will contact you all back to let you know details, once I know them. If you don't hear from me, its a safe bet that there wasn't enough interest.

Hope to hear from you soon,
Mike

Happy February,

February Snow Moon - Since the heaviest snow usually falls during this month, native tribes of the north and east most often called February's full Moon the Full Snow Moon. Some tribes also referred to this Moon as the Full Hunger Moon, since harsh weather conditions in their areas made hunting very difficult.

Are you planning to travel to someplace where a foreign language is spoken? Or would you just like to pick up some phrases in a language other than English?

Here is a site that allows you to download a small program that has a lot of info. There are a huge choice of languages with many useful words and phrases. They have categories such as greetings, restaurant terms, verbs and more.

Most of the time when you read a foreign word or phrase the pronunciation has a lot to be desired. With this program there is a sound recording that plays, and you can

adjust the speed of the playback. Best of all, this is free. Click the link and give it a shot, yutahey. <http://www.byki.com/>

The Tall Ships are coming! That's right. From July 12-16th they will be in town. Tom Habanek just gave me a heads-up on that. Here are a couple of links to Tall Ship pages. <http://www.schoonerman.com/> and <http://www.apparent-wind.com/sailing-page.html>
