The nominating committee will begin soliciting candidates for the upcoming year. New candidates are always welcome. Please consider running for an officer position, trustee, or committee chairperson. If you are considering running for an office, please contact the incumbent for details about the position. This will increase the enjoyment of our club events and bring fresh ideas to the club. Nomination sign up sheets will be available at the next monthly meeting.

November 11th is Veterans' Day in honor of the servicemen of all America's wars. As the United States troops continue to serve our country and defend our freedom, Americans are reminded of the gratitude we owe our military and veterans of war. Remember the ones that safeguard us and our families.

Have a Happy Thanksgiving

First, I want to thank Dave Newman for nominating me for Commodore. I couldn't say no to the privilege, therefore I am the only candidate, so far, running for that office. Please attend our next meeting at Zone Car. We need more members to get involved and as usual we'll have a great time doing it.

I am also looking for Newsletter volunteers. I would like to pass the torch to somebody else, so please let me know if you are interested. All you need is a computer and I'll teach you the rest. It is very easy and it takes me about 2 hours each month to do it. I will continue to do the web site, but don't be shy if you want to improve it or add something to it. I am open to suggestions. Once again, for those newbies out there, our website is www.embc-cleve.com.

'Till next time mateses...

November!!! Holy stuffed turkeys Batman!!!

Am I wrong, or was this past October the worst that you ever saw? It was cold, rainy and nothin' but wind blowing. There was damage to a few of the boats and plenty of broken lines. Here's hoping that nothing bad happened to any of our members' boats.

Problems with telemarketer's? This guy had a great way of taking care of business. A good belly laugh is only a click away.

Here is a dynamite program, and it's free. The clipboard in Windows is OK but you can only copy and paste one item. That is, each time you copy a new item you replace what was on the clipboard with the new item. With M8 Multi-Clipboard you can copy and paste up to 30 clips. This includes text, pictures or whatever. There is even a preview window when you are selecting the things you have copied. This is at CNET Downloads.com. Head over to the site below and get your copy.

Just a quick note to all of our members. Start thinking about attending the Commodore's Ball now. This is really a big event, the biggest of the year. It's all about past officers, new officers and most important, you the members.

Last year the event was rather poorly attended. Come on, it's not that expensive. For a whole evening of live entertainment, food, beverages and a great time you can't go wrong. Reach into your pockets and give it up.

Seize the day my friends,

Buck Wilke
